Developer Fee Schedule

Effective October 12, 2020

Residential (Statutory School Fee) \$4.08 per square foot of assessable space

Construction of new "residential units" (single-family detached, single-family attached, manufactured homes and mobile-homes, condominiums, multi-family housing, including apartments, and residential hotels) and additions or remodels of existing residential units resulting in an "increase of assessable space" exceeding a net of 500 square feet.

Residential (Senior Housing) \$.66 per square foot of assessable space

Commercial / Industrial \$.66 per square foot of chargeable space

Note: Due to periodic fee schedule changes, applicants should verify current fee rates before applying for building permits.

Collection of school fees is authorized pursuant to Education Code Section 17620 and Government Code Section 65995. The applicable provisions of law that specifically govern the levy of school fees are available upon request.
