Learning Model Definitions

- **Distance Learning** - Our school board has voted that all of our students will begin in Distance Learning for the first six weeks of school from 9/8 to 10/19.
- **Vista Classic Model** - When Public Health orders allow students to return in-person to school, students who choose to do so are considered in the "Classic Model." This is what we all knew pre-pandemic.
- **Vista Virtual Model** - When Public Health orders allow students to return to in-person learning at school, students who chose NOT to return in person are in the "Virtual Model."

Vista Classic students will return to the Alta Vista High School daily schedule on campus.

Vista Virtual students will continue with the Alta Vista High School daily schedule online.
